SUMMARY

Data Analytics undergraduate at Sunway University with experience in analytics competitions, hackathons, statistical modelling, and project leadership. Passionate about transforming data into actionable insights through machine learning, SQL, Python, and SAS.

EDUCATION

Bachelor of Information Systems (Honours) (Data Analytics) **Sep 2024 - Sep 2027**

Sunway University | Lancaster University

- CGPA 3.75
- Sunway Jeffery Cheah Scholarship
- Relevant Coursework: Analytics Engineering, Database Management, Data Mining & Knowledge Discovery, Information Systems Analysis & Design, Computer Organizations, Programming Principles, Enterprise Architecture

Foundation in Arts **Aug 2023 - Aug 2024**

Sunway College

- CGPA 4.0
- Academic Excellence Award
- Sunway Special Scholarship

COMPETITIONS

Mercedes-Benz Tech Malaysia Vibathon 2026 — AI Defined Vehicle | Top 14 **Jul 2026**

- Designed LumosDrive MY, an AI driver safety system with personalised fatigue detection and a Malaysian Cultural Rhythm Engine, shortlisted among Top 14 teams nationally

Top Coders Malaysia 2026 | Top 5 **Jun 2026**

- Ranked among the Top 5 teams in the Sunway University qualifying round.
- Qualified to represent Sunway University at the Top Coders Malaysia 2026 National Finals.

WorldQuant Challenge | Silver Level **Jun 2026**

- Reached Silver Level on the WorldQuant BRAIN platform by developing and optimising quantitative trading alphas

The Access Group Earth Day 2026 Global University Hackathon | 2nd Runner-Up **Apr 2026**

- Developed a NILM Energy Monitoring System for Malaysian SMEs, presenting to judges from Access and MDEC among Top 10 teams from Malaysian universities.

TECHNICAL PROJECTS

Global Waste Management Analytics | SAS, Statistical Analysis **Dec 2025**

- Built a SAS pipeline to clean and merge multi-country waste datasets (2010–2019).
- Performed correlation and regression analysis on food and plastic waste.
- Built analytical visualisations to identify waste trends and support sustainability recommendations.

SKILLS

- Programming & Query Languages: Python, SQL, Java, R Programming
- Analytics: Data Cleaning, Data Visualisation, Statistical Analysis, Web Scraping
- Statistical Software: SAS Enterprise Guide, SAS Viya, SAS Miner, Microsoft Excel, Microsoft Access, VS Code
- Other Tools: Canva, Capcut, Filmora, Paint.net, Cisco Packet Tracer, GitHub, Power BI
- Languages: English (Fluent), Malay (Conversational), Mandarin (Conversational)

AWARDS & CERTIFICATIONS

Dean's List Recipient — Sunway University | Lancaster University
- Accomplished First Class Honours for 3 Semesters (Sept 2024 | Apr 2025 | Feb 2026)

Machine Learning Using SAS Viya — SAS **Sep 2025**
- Completed machine learning fundamentals using the SAS Viya platform

Generative AI Using SAS — SAS **Sep 2025**
- Completed training on Generative Adversarial Networks (GANs) and generative AI techniques

Anugerah Rambu Pengakap Kanak-Kanak — Scouts Association of Malaysia **Jul 2017**
- Highest honour awarded by the Scouts Association of Malaysia for exceptional leadership and contribution

LEDAERSHIP & EXTRACURICULLAR

Sunway Analytics Society **Sep 2025 - Present**
Events Sub-Director
- Planned and coordinated workshops, industry talks, company visits, career fairs, and networking events by collaborating with university staff and industry partners to ensure successful event execution

  Flagship Project: Sunway Engineering & Technology Career Fair 2026 — Project Lead
  - Led a 3-month cross-functional project serving 500+ students.
  - Coordinated event operations, floor plans, timelines, and departmental teams.
  - Secured partnerships with 50+ companies, facilitating internships, graduate roles, and interview opportunities.

Sunway Learning Exploration Program **Jan 2024 - Present**
Student Helper & Event Assistant
- Co-organised and supported 20+ campus events (80+ volunteer hours), including leading Open Day campus tours for prospective high school students, managing gift bag packing and crowd/line control, and facilitating engagement activities for visiting school groups

Community Service/Volunteer Work **Jan 2020 - Present**
- Conducted outdoor education programmes at government schools.
- Organised donation drives delivering 200+ essential items to Orang Asli communities.
- Facilitated disability awareness activities at Pusat Kanak-Kanak Istimewa Kajang.
- Participated in community clean-up initiatives.

90th Petaling Perdana Boy Scouts **Jan 2015 - Dec 2022**
- Held leadership roles including Vice President, Treasurer, and Patrol Leader, overseeing troop operations, budgeting, and youth development.
- Awarded Anugerah Rambu Pengakap Kanak-Kanak, the highest achievement in Malaysian Cub Scouts.

WORK EXPERIENCE

Academic Tutor **Aug 2025 - Present**
- Provided one-on-one tutoring in Mathematics, Chemistry, Physics, Biology, and Accounting across foundational to advanced levels
- Designed personalised learning plans focused on exam preparation and long-term conceptual understanding
- Applied active recall and structured exercises to build student independence and measurable academic improvement

Food & Beverage Service Crew — Retail Outlet (SS15 & Bandar Sunway) **Jul 2023 - Jul 2025**
- Delivered fast-paced customer service while handling beverage preparation, inventory management, and daily operations
